

# IDEATHON 2.0 Event Report

**Date: September 15, 2023**

**Location: AIET Campus**

## Introduction:

On 15 September 2023, Apollo institute of Engineering & technology organized an event to present new ideas as Ideathon 2.0. Event is organized for All students For all branches IT, CE, ME Degree and Diploma. There were more than 200 students participating in this event with 50 around new ideas for developing web and mobile applications.

## Event Highlights:

**Participant Enthusiasm:** The event saw an overwhelming response from students across various departments, with a total of 61 teams registering for IDEATHON 2.0. The participants displayed immense enthusiasm and excitement throughout the event.

**Innovative Ideas:** The heart of IDEATHON 2.0 lay in the creative ideas presented by the participants. The event witnessed a wide range of innovative projects and concepts in all branches of engineering, addressing real-world challenges and opportunities.

**Expert Panels:** Esteemed experts from the industry and academia were invited to judge the projects. Their insightful feedback and guidance added immense value to the event. The judging panel consisted of (1) Dr. Prashant Saxena (2) Rajeev Sharma

**Interactive Workshops:** Parallel to the project presentations, interactive workshops were conducted by industry professionals. These workshops covered topics such as design thinking, prototyping, and entrepreneurship, providing participants with valuable knowledge and skills.

**Networking Opportunities:** IDEATHON 2.0 provided an excellent platform for networking. Students had the opportunity to connect with peers, mentors, and potential collaborators, fostering a sense of community within the fields of computer science, Information technology and mechanical engineering.

**Winning Projects:** After careful evaluation, the judging panel selected the following projects as the winners of IDEATHON 2.0:

### **First Place :- SMART WATER LEAKAGE DETECTING SYSTEM**

1. Rishi Rajeshbhai Patel
2. Bhavya Jagadishbhai Patel

### **Second Place :- A.I. AGENT FOR SHOPPING**

1. Patel Chintan Jignesh Bhai
2. Patel Dev jignesh kumar
3. Patel Krish kalpeshbhai
4. Nasit Harshit Aleshbhai

### **Third Place :- SMART ROCKET LAUNCHING SYSTEM**

1. Vasita Vipul
2. Lalit G Meshram
3. Mahajan tushar yuvrajbhai
4. Jhamnani Bhavesh Rajesh

## **Conclusion:**

IDEATHON 2.0 was a resounding success, encouraging innovation and creativity among the students of Apollo Institute of Engineering and Technology. The event not only provided a platform for showcasing innovative ideas but also fostered an environment of learning, collaboration, and networking.

We extend our gratitude to the participants, judges, mentors, and sponsors who made IDEATHON 2.0 possible. The event's success reflects the dedication and talent of our students, which we are immensely proud of.

Thank you to everyone who made IDEATHON 2.0 a remarkable event.

## **Event Organizers**

**Organizing Secretary** : Dr. Shital Shah (Principal)

**Coordinators** : 1) Sanyam Sheth (Assistant Professor C.E.)  
2) Nitesh Prajapati (Assistant Professor I.T.)

**Department coordinators** : 1) Dharmesh Kokani (Asst. Professor Comp.)  
2) Kajal Chauhan (Asst. Professor I.T.)  
3) Jayesh Parmar (Asst. Professor Mech)
