INDUSTRIAL VISIT REPORT

An Industrial visit to “Royal Technosoft Pvt. Ltd.”, 2nd and 3rd floor, Surbhi complex, Chimanlal Girdharlal Road opp municipal market, Vasant Vihar, Navrangpura, Ahmedabad, Gujarat 380052 was organized by the Computer Engineering Department of Apollo Institute of Engineering on Thursday, 13th October 2022. Sixty two CE students, Sixteen IT students and Three faculties visited Royal Technosoft Pvt. Ltd. to interact with the Software Industry to understand current market scenarios, latest most demanding technologies & criteria for selection etc. In this visit students were very eagerly waiting to listen to industrial higher authorities.

We started our journey from AIET at 10:00 am by dividing 40 students in 2 AIET Buses with one faculty member. And at 11:30 am we reached Royal Technosoft Pvt. Ltd. The Technical Head of Royal Technosoft Pvt. Ltd. conducted a very informative session for the students. Also he motivated the students to select their domain and area of interest. He also guided the students to select the areas like web development, mobile application development & Robotics etc. and its importance in the current software market. He also guided on Leadership which is their working. Finally he gave a brief introduction of Royal Technosoft Pvt. Ltd. journey from establishment to current day company growth, journey by telling success stories of their past students.

The session was divided into three parts - Leadership session conducted by Mr. Mihir Mehta, Programming Session conducted by Mr. Dhiraj Poojara and Robotics session by Ms. Shruti. All students were satisfied after all the session. Company motivated the students by giving a token of affection in the form of company brochures & diaries. After completion of all sessions, they provided great food for students and faculties. The visit came to an end at 3:00 p.m.

Finally, we left the premises at 3:00 p.m. and reached back to college at 3.50 pm. It was an informative, interesting and a successful visit. As students of Computer science they understand live Software applications and importance of technology selection, etc. We express our thanks to the Technical Head and all team members of Royal Technosoft

Pvt. Ltd. who spent their valuable time for us. We also thank our respected Principal and HOD who motivate us to arrange such an informative program. Lately we request you to arrange more industrial visits in the future for the students which will be helpful for the students and help to train our students.
